## Recyclability

- Steel, the most recycled material on earth, makes up 48% of LOOK by weight.
- Depending on the model and options chosen, LOOK is up to 84% recyclable.
- Components are identified with recycling symbols and material identification to assist in the recycling effort.
- LOOK is packaged in a polyethylene bag and corrugated cardboard box, both of which are readily recyclable. Blanket wrap options may also be available to reduce on-site packaging debris.
- Fabric is removable for replacement and recycling because no glue is used on the upholstery.

## Materials

- Available in VOC free powder coat paint finish
- Environmentally preferable fabrics are available including 100% recycled polyester and MBDC Cradle to Cradle certified fabrics: Haworth standard fabric *Cocktail* is MBDC gold certified and *Wuhl* is MBDC certified as a biological nutrient.
- Fabrics with rapidly renewable materials such as cotton and wool are also available on LOOK seating.
